MAT 10 – Bar chart of Favourite Pet (IWB)

You can download this activity as a IWB Notebook file using the links at the bottom of the page

Subject Area

Mathematics

Overview

In this IWB activity students answer questions about a bar graph of favourite pets. They then make a bar chart using class data and compare it.

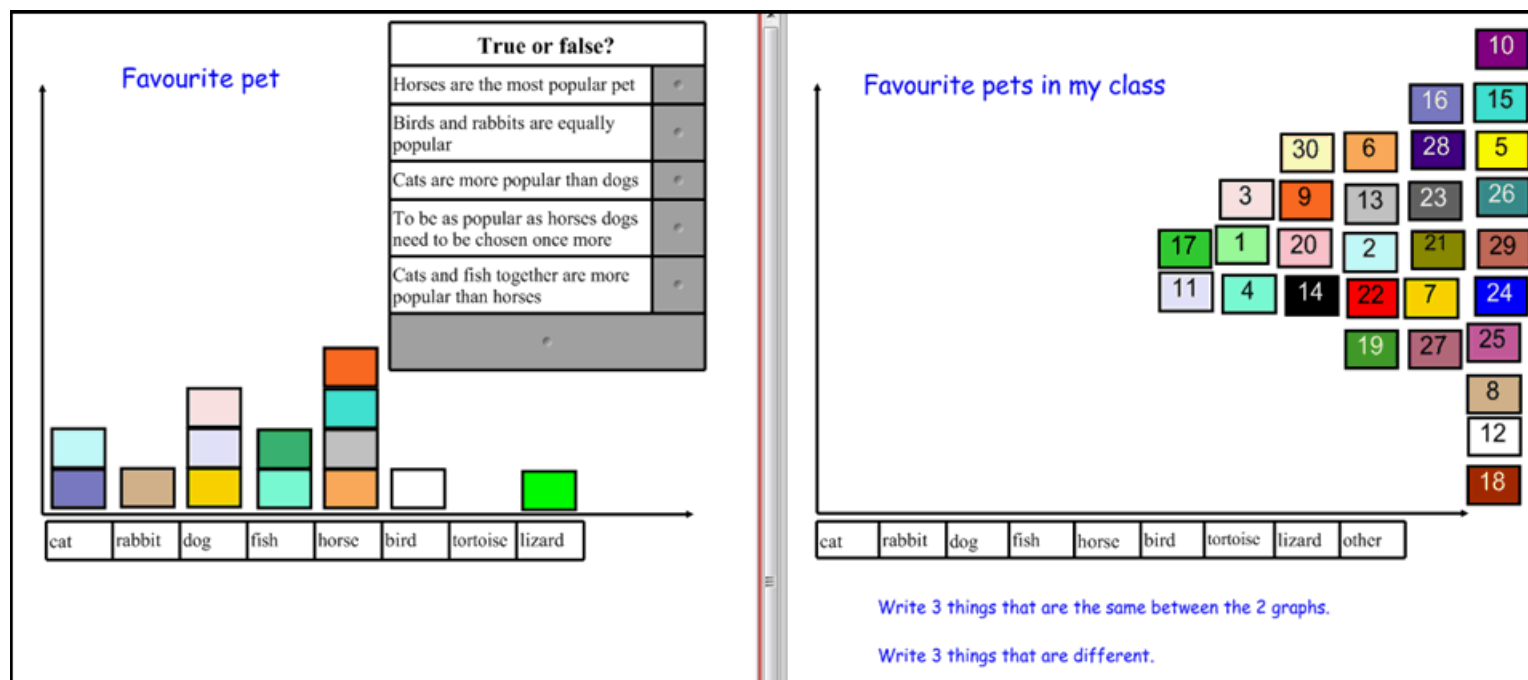

Requirements

Instructions

Task:

In this activity students read and answer the questions for a given bar chart of favourite pets. They then create their own class bar chart and by using split screen view, compare their class results with the first chart.
